

# Package ‘mapsPERU’

October 13, 2022

**Type** Package

**Title** Maps of Peru

**Version** 1.0.2

**Description** Information of the centroids and geographical limits of the regions, departments, provinces and districts of Peru.

**Depends** R (>= 3.5.0)

**License** GPL-3

**Encoding** UTF-8

**LazyData** true

**RoxygenNote** 7.1.1

**URL** <https://github.com/musajajorge/mapsPERU>

**Imports** tibble

**NeedsCompilation** no

**Author** Jorge L. C. Musaja [aut, cre]

**Maintainer** Jorge L. C. Musaja <musajajorge@gmail.com>

**Repository** CRAN

**Date/Publication** 2021-12-03 22:50:15 UTC

## R topics documented:

map_DEP . . . . .	2
map_DIST . . . . .	2
map_PROV . . . . .	3
map_REG . . . . .	3

<b>Index</b>	<b>5</b>
--------------	----------

---

 map\_DEP

*Geographic information of the departments of Peru*

---

**Description**

Geographic information of the departments of Peru

**Usage**

map\_DEP

**Format**

dataframe

**COD\_DEPARTAMENTO** chr Department code

**DEPARTAMENTO** chr Department name

**coords\_x** dbl Longitude of the centroid of the department

**coords\_y** dbl Latitude of the centroid of the department

**geometry** MULTIPOLYGON Geometric object

---

 map\_DIST

*Geographic information of the districts of Peru*

---

**Description**

Geographic information of the districts of Peru

**Usage**

map\_DIST

**Format**

dataframe

**COD\_REGION** chr Region code

**COD\_DEPARTAMENTO** chr Department code

**COD\_PROVINCIA** chr Province code

**COD\_DISTRITO** chr District code

**REGION** chr Region name

**DEPARTAMENTO** chr Department name

**PROVINCIA** chr Province name

**DISTRITO** chr District name  
**coords\_x** dbl Longitude of the centroid of the district  
**coords\_y** dbl Latitude of the centroid of the district  
**geometry** MULTIPOLYGON Geometric object

---

map\_PROV

*Geographic information of the provinces of Peru*

---

### Description

Geographic information of the provinces of Peru

### Usage

map\_PROV

### Format

dataframe

**COD\_REGION** chr Region code  
**COD\_DEPARTAMENTO** chr Department code  
**COD\_PROVINCIA** chr Province code  
**REGION** chr Region name  
**DEPARTAMENTO** chr Department name  
**PROVINCIA** chr Province name  
**coords\_x** dbl Longitude of the centroid of the province  
**coords\_y** dbl Latitude of the centroid of the province  
**geometry** MULTIPOLYGON Geometric object

---

map\_REG

*Geographic information of the regions of Peru*

---

### Description

Geographic information of the regions of Peru

### Usage

map\_REG

**Format**

dataframe

**COD\_REGION** chr Region code

**REGION** chr Region name

**coords\_x** dbl Longitude of the centroid of the region

**coords\_y** dbl Latitude of the centroid of the region

**geometry** MULTIPOLYGON Geometric object
