--------------	----------

run_sw

Run statnetWeb

Description

Runs the statnetWeb shiny application, a GUI for the statnet suite of network analysis packages.

Usage

```
run_sw()
```

Examples

```
## Not run:  
run_sw()  
  
## End(Not run)
```

statnetWeb*statnetWeb: A graphical user interface for network analysis.*

Description

The statnetWeb package makes it easy to run the graphical user interface for the statnet suite of network analysis packages.
